MEDICAL REQUIREMENTS CHECKLIST

Health forms are required every year. Please do not return the enclosed forms without making sure that all items on this list have been completed.

- Signed Medical Release Form (Page 4 of new student form, page 1 of returning form).
- Include a copy of both sides of your Medical Insurance card and the date of birth and name of the policy holder. Medical Insurance is required. The school provides secondary insurance for accidents which occur while at school. The secondary insurance can be used to pay costs that are not covered by the individual student's primary insurance. If your child has an accident while at school and you would like to utilize this insurance, please contact the infirmary immediately after the accident and the nurses will send you a form.

There is a Medical Insurance policy available for foreign students at an additional cost, for information please call Dr. Fred Zilian or the Business Office.

- The physical examination must be signed by a Doctor, Physician's Assistant or Nurse Practitioner.
- The physical examination must include the date of the exam (the date must be 6 months prior to the opening of school).
- Your physician must complete vision, hearing and scoliosis screenings as these are not routinely done at school.
- The immunization record for new students must be complete with the ***day, month and year*** of each immunization or Rhode Island Law prohibits entrance to school. Returning students should have updated immunizations included on the form.
- Please sign and return all three "Emergency Medical Authorization for School Events Away From School" cards.
- ALL prescription medications must have a written order signed by the prescribing physician that is updated every year. See the enclosed form if your child is on prescription medication (feel free to copy it if your child is on more than one).
- You must sign and return the request for a Flu Vaccine if you would like your child to receive it while at school. (See enclosed form).

Forms are due by July 15th and should be mailed to Portsmouth Abbey School, Medical Services, 285 Cory's Lane, Portsmouth, RI 02871. If you have any questions please call 401-683-4462.
